

We need YOU to stop into the Town Office on March 14 or 17!!

We are refiling our petition for incorporation and need your signature once again. Technical changes were made to strengthen the petition. The petition will be available to review on March 14th and signatures will be collected through March 17th. Spread the word with your neighbors and neighborhood groups.

We are hoping to gain ALL needed signatures in 2 DAYS!

Thank you for your ongoing engagement and support!
