TOWN OF WASHINGTON

WisDOT Project ID: Project 7905-00-01/71
 Osseo – Eau Claire
 US 10 W to Old Town Hall Road
 US 53
 Trempealeau & Eau Claire Counties

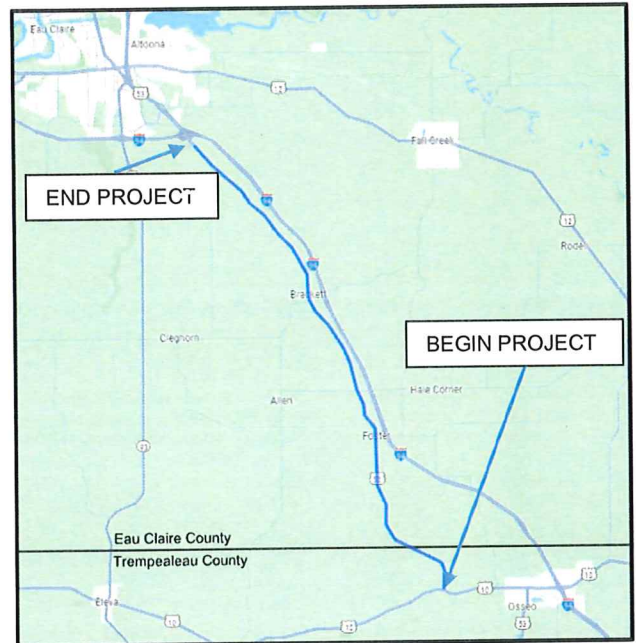

This letter is intended to provide notification of proposed changes to an upcoming Wisconsin Department of Transportation (WisDOT) resurfacing project on a segment of US 53 in Trempealeau & Eau Claire Counties.

Project Description

WisDOT is preparing plans for the proposed undertaking along 15.40 miles of US 53 that consists of (changes in **RED**):

- Pavement replacement consisting of removing top 4-inches of pavement and replacing with new pavement
- Replace deteriorated culverts.
- Remove/replace deteriorated/outdated beam guard.
- Structural repairs on various bridges and culverts throughout the project.
- Improving geometric safety elements at the US 53 & Hillview Rd intersection.

The project is located on US 53 and begins at US 10 (west) in Trempealeau County and extends north to Old Town Hall Rd in Eau Claire County. The project is needed to preserve and improve the roadway segment of US 53 by addressing pavement and structure condition.

Proposed Traffic Impacts

US 53 will be closed and detoured throughout discussion. Local access to adjacent businesses and residents will be maintained. The detour will utilize US 10 and Interstate 94.

Real Estate Impacts

Some areas of real estate will be required to construct the proposed improvements. These mainly consist of strip areas near existing cross culverts or beam guard.

Schedule

Preliminary design began.....Spring 2023
 Plans, Specifications and Estimate Submittal.....August 2026
 Earliest Construction Date.....Summer 2027
 Scheduled Construction.....Summer 2029

More Information

Additional project information can be found at the WisDOT website at: <https://wisconsin.gov/Pages/projects/by-region/nw/us53ectc/default.aspx>

How to provide comments
